COLLECTION

Il nome di questa collezione di prodotti sottolinea l'eccellenza del progetto, la meticolosa scelta dei materiali, la peculiarità della forma-funzione dei pezzi, l'esclusività artigianale della qualità esecutiva, l'artisticità della decorazione. A fare da splendida cornice alle composizioni contribuiscono le boiserie a parete che raccontano, come veri quadri, storie di natura, emozioni esotiche, texture estetiche, simbologie fantastiche.

Sono progetti di Alchymia che dimostrano la capacità creativa, la duttilità espressiva, la disponibilità a tradurre i sogni di interni della clientela più riservata ed esigente, soprattutto quando si desidera essere immersi a tutto tondo in atmosfere on demand.

The name of this product collection emphasises the project's excellence, the meticulous choice of materials, the distinctiveness of the form and function of the items and the exclusive executive quality craftsmanship. The wood panelling creates a wonderful frame for the compositions and, like real paintings, tells tales of nature, exotic emotions, beautiful textures and imaginative symbology.
